**Attachment to Advisory Action**

1. Applicant's arguments filed 8/4/11 have been fully considered but they are not persuasive. First, applicant's after-final amendment filed 8/4/11 has not been entered because it raises new issues that require further consideration and search, i.e., the addition of first and second sealing elements that are longitudinally spaced from each other. Second, applicant's arguments are misplaced at this time because they concern non-entered limitations.
2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to EDMUND LEE whose telephone number is (571)272-1204. The examiner can normally be reached on MONDAY-THURSDAY FROM 9AM-4PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Yogendra Gupta can be reached on 571.272.1316. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
